ATHLETES UNLIMITED BASKETBALL 101

WHO WE ARE

Athletes Unlimited is a new model of pro sports where athletes are decision makers and individual players are champions of team sports. We literally change the game with faster play and fluid teams, delivering next-level competition and engagement in which every moment counts. Beginning in 2020 with women's softball and following with women's volleyball (2021), women's lacrosse (2021) and women's basketball (2022), Athletes Unlimited will build the next generation of both athletes and fans.

Our athletes are in charge of their team and league decisions, and of their individual success. We reboot timetables, rosters, and gameplay to create fast, exciting competition that speaks to contemporary sports fans, bringing them close to the action - and to the athletes - in games where every moment counts. We incorporate the player-centric model that fans love about fantasy sports. We use digital media platforms and cutting-edge technology to connect fans deeply to athletes at the top of their game on and off the field, and to the game itself.

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each week's games with the top four players in the individual leaderboard serving as the team captains. The captains will then fill their rosters by selecting 10 other players. Each draft will be held on the Sunday before the week's games and can be seen via the Athletes Unlimited YouTube channel.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons orange jerseys. The third-place team will wear blue jerseys and the fourth-place team will wear purple jerseys.

Each team will consist of 11 players and there are no limits on the number of players at a specific position (guard, forward, center, guard/forward etc.).

RULES OF INTEREST

Timing: Four 10-minute (10:00) stopped time quarters will be played during a regulation game with a 24-second shot clock in play. Halftime will be 15 minutes in length.

Overtime: All overtime periods will be five (5) minutes in length.

Timeouts: Each team is permitted three (3) 30-second timeouts and one (1) 60-second timeout during regulation play and all timeouts carry over from the first half to the second half. In addition, each team will be given one (1) additional 30-second timeout at the start of each overtime period in addition to any timeouts remaining prior to the period.

Media Timeouts: One (1) media timeout will be called at the first dead ball at or below the five-minute (5:00) mark of each quarter unless a team-called timeout or Captain's Challenge occurs before that time frame. In addition, the first team-called timeout or Captain's Challenge of the second half becomes a media timeout.

Captain's Challenges: A captain may initiate replay review of certain events subject to the provisions of the rule as set out below. Replay reviews triggered under this rule shall be referred to as a 'Captain's Challenge', or 'Challenge' for short.

Each team is entitled to one (1) challenge in the first 38 minutes of the game, and one (1) Challenge in the last two minutes of the fourth quarter or overtime.

A team may use a Challenge to initiate replay review of the following events: (1) a called personal foul charged to its' own team, and (2) a called out-of-bounds violation.

Any called foul, violation, or other decision by the game officials not listed above, or any non-call, is not a challengeable event.

Replay review of the following events, among others, may not be initiated by a Challenge: (1) a called personal foul charged to the opposing team, (2) continuation - i.e., whether a defensive foul occurred prior to the offensive player beginning her shooting motion, (3) a technical or flagrant foul, and (4) violations - i.e., traveling, carrying, double dribble, offensive or defensive three seconds, etc.

INDIVIDUAL LEADERBOARD

While traditional basketball statistics are kept during each Athletes Unlimited game, players earn individual points by accumulating those statistics. Points accumulated by statistics, quarter and/or game wins and MVP selections are used to create an individual leaderboard, which determines captains for each week and the individual champion at the end of the season.

Points are awarded at the following increments during the game:

Made 3-Point Field Goal	30 Points
Made 2-Point Field Goal	20 Points
Made Free Throw	10 Points
Offensive Rebound	10 Points
Assist	10 Points
Steal	10 Points
Blocked Shot	10 Points
Offensive Foul Drawn	8 Points
Defensive Rebound	5 Points
Shooting Foul Drawn	4 Points
Personal Foul Drawn	4 Points
Shooting Foul Committed	-8 Points
Personal Foul Committed	-8 Points
Other Foul Committed	-8 Points
Turnover	-10 Points
Missed Free Throw	-10 Points
Missed 2-Point Field Goal	-10 Points
Missed 3-Point Field Goal	-10 Points
Offensive Foul Committed	-16 Points

If a game goes into overtime, the stats accumulated during the extra period do not earn any individual points for the athletes on the leaderboard. In addition, there are no additional team quarter win points for the overtime period.

In addition, athletes will be awarded 50 individual points if their team wins a single quarter. If the teams score the same number of points in a quarter, the points carry over to the next quarter.

Athletes on the winning team in each game will be awarded 100 individual points toward the individual leaderboard.

A total of three MVPs will be selected following each game by the athletes with the top player earning 90 points. The second MVP will receive 60 points, while the third MVP claims 30 points.
