ATHLETES UNLIMITED VOLLEYBALL 101

WHO WE ARE

Athletes Unlimited is a new model of pro sports where athletes are decision makers and individual players are champions of team sports. We literally change the game with faster play and fluid teams, delivering next-level competition and engagement in which every moment counts. Beginning in 2020 with women's softball and following with women's volleyball (2021), women's lacrosse (2021) and women's basketball (2022), Athletes Unlimited will build the next generation of both athletes and fans.

Our athletes are in charge of their team and league decisions, and of their individual success. We reboot timetables, rosters, and gameplay to create fast, exciting competition that speaks to contemporary sports fans, bringing them close to the action - and to the athletes - in games where every moment counts. We incorporate the player-centric model that fans love about fantasy sports. We use digital media platforms and cutting-edge technology to connect fans deeply to athletes at the top of their game on and off the field, and to the game itself.

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each week's matches with the top four players in the individual leaderboard serving as the team captains. The captains will then fill their rosters by selecting 10 other players. Each draft will be held on the Sunday before the week's matches and can be seen via the Athletes Unlimited YouTube channel.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons orange jerseys. The third-place team will wear blue jerseys and the fourth-place team will wear purple jerseys.

Each team will consist of 11 players, including five PINs (outside hitters and opposite hitters), two setters, three middle blockers and one libero.

RULES OF INTEREST

Match Duration: Each Athletes Unlimited volleyball match consists of three (3) sets regardless of whether a team wins two sets in the match. A set is won when a team scores 25 or more points while winning by a margin of two (2) points or more.

Golden Set: In the event the match score is tied after three (3) sets, a "golden set" will be played to determine the match winner. The "golden set" will be won by the team which scores five (5) points while winning by a two-point margin or when a team reaches 10 total points.

Substitutions: Teams are limited to a maximum of six (6) substitutions in each set. In the event any match requires a "golden set," teams will be permitted no more than two (2) substitutions for the additional set.

Timeouts: Each team is permitted a maximum of two (2) timeouts per set with each timeout lasting two minutes and thirty seconds (2:30). In the event any match requires a "golden set," each team will be given one (1) timeout for the additional set.

Time Between Sets: A timeout of five (5) minutes will take place between each set.

Captain's Challenges: A captain may initiate replay review of certain events subject to the provisions of the rule as set out below. Replay reviews triggered under this rule shall be referred to as a 'Captain's Challenge,' or 'Challenge' for short. Each team is entitled to two (2) challenges per set.

A team may use a Challenge to initiate replay review of the following events:

- Whether a ball is in or out
- Block touch
- Service line fault
- 3-meter line fault
- Center line fault
- Net touch

Any called fault, violation, or other decision by the match officials not listed above, or any non-call, is not a challengeable event.

POSTSEASON AWARDS

At the conclusion of the 2022 Athletes Unlimited season, the following awards will be presented during the closing ceremony:

- Medals to top four finishers on leaderboard
- GEICO Defensive Player of the Year
- Sportsmanship Award
- Athletes Unlimited "Dream Team" (top players at each position)

The "Dream Team" will consist of one setter, one libero, one opposite hitter, two middle blockers and two outside hitters.

INDIVIDUAL LEADERBOARD

While traditional volleyball statistics are kept during each Athletes Unlimited match, players earn individual points by accumulating those statistics. Points accumulated by statistics, set and/or match wins and MVP selections are used to create an individual leaderboard, which determines captains for each week and the individual champion at the end of the season.

Points are awarded at the following increments during the match:

Service Ace	+12 Points
Block	+12 Points
Kill	+8 Points
Dig	+5 Points
Good Pass	+2 Points
Assist	+1 Point
Service Error	-8 Points
Attack Error	-12 Points
Set Error	-12 Points
Pass Error	-12 Points

If a match requires overtime or a "Golden Set," the stats accumulated during the "Golden Set" do not earn any individual points for the athletes on the leaderboard. In addition, there are no additional team set win points for the "Golden Set."

In addition, athletes will be awarded 40 individual points if their team wins a single set. If the teams score the same number of points in a set, the points carry over to the next set.

Athletes on the winning team in each match will be awarded 60 individual points toward the individual leaderboard. The **total score** determines the overall match winner, which means a team may lose two sets, but win the overall match.

Example: The Gold Team loses the first two sets 25-23 and 25-23 to the Blue Team, but wins the last set, 25-17. The Gold Team wins the overall match points because they had the larger overall score, 71-67.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

THE MEDALS

The top four players on the final leaderboard in addition to the Defensive Player of the Year will receive a medal designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiitellä, inc. The front face of the medal represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

Kiitellä has produced awards for environmental conservation, literature, activism, film festivals, mountaineering organizations, the ESPN X-Games, Visa, The North Face, The American Alpine Club, US Ski & Snowboard Championships, AUDI Birds of Prey World Cup Skiing, Colorado Classic Pro Cycling and many more.

Kiitellä utilizes local industrial processes and sources locally distributed materials, including recycled and scrap metal, wherever possible. Every project is drawn in CAD, so that exact material dimensions are calculated, and waste is minimized. Leftover materials are either reused or recycled.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound for Athletes Unlimited. The book weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book is opened during the Opening Ceremony for each season and is closed after the champion is named and her name is inscribed into the book. The tradition began during Athletes Unlimited Softball's inaugural season in 2020.
