## ATHLETES UNLIMITED AUX SOFTBALL 101

## WHO WE ARE

Athletes Unlimited is a new model of professional sports where athletes are decision makers and individual players are champions of team sports. We literally change the game with faster play and fluid teams, delivering next-level competition and engagement in which every moment counts. Beginning in 2020 with Women's Softball and following with Women's Volleyball (2021), Women's Lacrosse (2021), Women's Basketball (2022) and AUX Softball (2022), Athletes Unlimited will build the next generation of both athletes and fans.

Our athletes are in charge of their team and league decisions, and of their individual success. We reboot timetables, rosters, and gameplay to create fast and exciting competition that speaks to contemporary sports fans, bringing them close to the action and the athletes in games where every moment counts. We incorporate the player-centric model that fans love about fantasy sports. We use digital media platforms and cutting-edge technology to connect fans deeply to athletes at the top of their game on and off the field, and to the game itself.

## HOW THE TEAMS ARE SELECTED

A draft will be held prior to each series of games with the top three players in the individual leaderboard serving as the team captains. The captains will then fill their rosters by selecting 13 other players. Each draft will be held two days prior to the start of each six-game series.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons orange jerseys. The third-place team will wear blue jerseys during each series.

Each team will consist of 14 players, including four pitchers, two catchers, two middle infielders, two corner infielders, three outfielders and one designated player.

## RULES OF INTEREST

**Game Duration:** Each Athletes Unlimited AUX Softball game will consist of seven (7) innings regardless of the game's score. If the visiting team scores in the top of the seventh inning but trails in the game, the home team will bat in the bottom of the inning in an attempt to win the inning points.

**Extra Innings:** Team inning points and individual stat points are not earned in extra innings. Only inning points that have carried over from the seventh inning and team game win points can be accumulated.

**Captain's Challenges:** Each captain will be permitted two (2) video review challenges per game, which will be sent to the replay official for a final decision. A challenge must be indicated by one of the two designated team representatives either verbally or visually before the next pitch is thrown, before all members of the infield have left their positions and fair territory, or before the umpires have left the field of play. A challenge is indicated visually by tapping the top of the head with one hand.

In addition, umpires are allowed to initiate a video review of any call in the reviewable plays list once the game reaches the sixth inning.

The following plays can be reviewed:

1. Whether a batted ball called fair, is fair or foul.
2. Whether a batted ball called a ground-rule double or home run is fair or foul.
3. Whether a batted ball called foul that could result in a ground-rule double or home run is fair or foul.
4. Decide scoring players at home plate, including collisions (illegal and/or malicious slides), obstruction by a defensive player or timing plays
5. Force tag/play calls
6. Hit-by-Pitch calls
7. Placement of Runners
8. With runners on base, a no-catch call can be changed to a catch only if it results in a third out. With no runners on base, a no-catch call can be changed to a catch at any time.
9. If the ball left the field of play on a home run
10. All aspects of a scoring play or timing play
11. Obstruction and interference at any base, only if the play in question results or would result in the third out of an inning and relates to a scoring/timing play
12. Malicious/flagrant contact
13. Deciding on a foul tip/foul ball at the plate, including a dropped strike

## ATHLETES UNLIMITED AUX SOFTBALL 101

### POSTSEASON AWARDS

The top three players on the final leaderboard in addition to the Defensive MVP presented by GEICO will receive a medal designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiitellä, inc. The front face of the medal represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

### ATHLETE COMPENSATION

Athletes are compensated in three ways during an Athletes Unlimited season, including base pay, win bonuses (inning and game wins) and a leaderboard bonus. The leaderboard bonus also includes an additional donation equal to half of the athlete's leaderboard bonus to their selected cause partner.

### INDIVIDUAL LEADERBOARD

While traditional softball statistics are kept during each Athletes Unlimited AUX game, players earn individual points by accumulating those statistics. Points accumulated by statistics, set and/or match wins and MVP selections are used to create an individual leaderboard, which determines captains for each series and the individual champion at the end of the season.

Points are awarded at the following increments for hitters during the game:

Single	+10 Points
Double	+20 Points
Triple	+30 Points
Home Run	+40 Points
Stolen Base	+10 Points
Caught Stealing	-10 Points
Base on Balls	+8 Points
Hit By Pitch	+8 Points
Sacrifice Fly/Bunt	+10 Points

In addition, pitchers can earn individual points for the following statistics:

Out Recorded	+4 Points
Earned Run Allowed	-10 Points

Athletes will be awarded 10 individual points if their team wins a single inning. If the teams score the same number of runs in an inning, the points carry over to the next inning.

Athletes on the winning team in each game will be awarded 50 individual points toward the individual leaderboard. The total score determines the overall game winner, which means a team may lose multiple innings, but still win the overall game.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

### THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound for Athletes Unlimited. The book weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book is opened during the Opening Ceremony for each season and is closed after the champion is named and her name is inscribed into the book. The tradition began during Athletes Unlimited Softball's inaugural season in 2020.

## ATHLETES TAKE NEW APPROACH TO AUX SOFTBALL

By Savanna Collins  
AUProSports.com Digital Reporter

From changing teams every week, to drafts and navigating the points system, the Athletes Unlimited Softball format presents itself with a unique set of challenges for players.

But for the upcoming AUX Softball season, they'll be tested in a new way. With doubleheaders and a shortened two-week season, there's little time to delay success or dwell on failure.

Tori Vidales knows that her mentality going to be more important than ever.

"Instead of going back to the dugout, feeling down on myself, it's trying to find those little wins within each at-bat so that you can go into the next week, the next practice, the next game feeling better than you did the day before," Vidales explained.

She took a new approach during her time in the cage with her dad leading up to this season. After each session, she would pinpoint what she learned and needed to work on, such as squaring her hips to the plate more or adjusting her elbow a bit higher.

Vidales would write those details down in a note to take them into the next session. She said, "We could just go straight to my notes," which kept her from wasting any time trying to feel out what she needed to focus on that day.

"By the time I got ready and warm, I was ready to go," Vidales added. "I felt like I was growing instead of staying stagnant and repeating the same things over and over again."

During AUX, there are just two days between each series of games. This leaves little time to adjust to live pitching or find comfort at the plate. Infielder Sierra Romero feels more confident in her game than she has in some time, regardless of the high-pressure environment.

"I think all of us probably have the same mentality: we're kind of saying 'just go'. You're gonna hit the ground running and it may not be pretty at first, but just being ready to ride through it."

Romero has been working to establish trust back in her left knee after tearing her ACL and meniscus in 2019. It's been a long time since she's played "sure" but her headspace ahead of opening day is to play free.

"It's softball and things are tough, so I'm expecting it to be tougher," Romero said. "And then just allowing myself to fail. I think that's the thing too – remembering this is a game of failure. I'm gonna fail, just not allowing myself to get too frustrated."

Players will also have to be mentally strong during AUX to be ready to play in doubleheaders. In each three-game series, teams will play a doubleheader on one of the game days. Romero talked about how it has been a while since some of the athletes have played in back-to-back games, especially against elite competition.

"Sometimes, I mean, you could take a game off, [but] you're not gonna be able to take a game off here," she said. "You're gonna wanna bring your A-game; doesn't matter if it's your first or second game."

For two-way pitcher and Week 1 captain Aleshia Ocasio, the doubleheaders will require planning and strategy on how to utilize the pitching staff.

"I do think that we're gonna have to pitch by committee a little bit more because we have so many games in a fewer amount of days," Ocasio said.

A staple of Athletes Unlimited since season one, Ocasio prepared for AUX similar to how she has in the past: eating healthy, taking care of her body, and weight training to improve her velocity. Then there were a few things Ocasio added this off-season to step up her game.

She would give herself an "A" in the circle last season but feels her performance at the plate was subpar. She spent more time working on her hitting because she knows that in order to stand out and climb the leaderboard again she'll have to utilize all the tools she has.

She even worked on adding another to her belt: steals.

"I made sure to replicate my workouts from last year but also add more agility training. That was important because... this year I wanna steal more bases."

Ocasio is coming in off a championship after being crowned the winner of Athletes Unlimited Softball in 2021. She said she doesn't allow finishing first on the leaderboard to affect her mentality now.

"Yeah, I'm the reigning champ, but at the end of the day I'm still here competing for another one."

As with each season, AUX starts with every athlete on the leaderboard with zero points.
