ATHLETES UNLIMITED VOLLEYBALL 101

WHO WE ARE

Athletes Unlimited is a new model of professional sports where athletes are decision makers and individual players are champions of team sports. We literally change the game with faster play and fluid teams, delivering next-level competition and engagement in which every moment counts. Athletes Unlimited began in 2020 with Women's Softball and followed with Women's Volleyball (2021), Women's Lacrosse (2021), Women's Basketball (2022) and AUX Softball (2022). Athletes Unlimited is building the next generation of both athletes and fans.

Our athletes are in charge of their team and league decisions, and of their individual success. We reboot rosters and gameplay to create fast and exciting competition that speaks to contemporary sports fans, bringing them close to the action and the athletes in games where every moment counts. We incorporate the player-centric model that fans love about fantasy sports. We use digital media platforms and cutting-edge technology to connect fans deeply to athletes at the top of their game on and off the field, and to the game itself.

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each week's matches with the top four players in the individual leaderboard serving as the team captains. The captains will then fill their rosters by selecting 10 other players. Each draft will be held on the Tuesday before the week's matches.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons orange jerseys. The third-place team will wear blue jerseys and the fourth-place team will wear purple jerseys.

Each team will consist of 11 players, including five PINs (outside hitters and opposite hitters), two setters, three middle blockers and one libero.

RULES OF INTEREST

Match Duration: Each Athletes Unlimited volleyball match consists of three (3) sets regardless of whether a team wins two sets in the match. A set is won when a team scores 25 or more points while winning by a margin of two (2) points or more.

Golden Set: In the event the match score is tied after three (3) sets, a "Golden Set" will be played to determine the match winner. The "Golden Set" will be won by the team which scores five (5) points while winning by a two-point margin or when a team reaches 10 total points.

Substitutions: Teams are limited to a maximum of six (6) substitutions in each set. In the event any match requires a "Golden Set," teams will be permitted no more than two (2) substitutions for the additional set.

Timeouts: Each team is permitted a maximum of two (2) timeouts per set with each timeout lasting three minutes (3:00). In the event a "Golden Set" is necessary, each team will be given one (1) timeout for the additional set.

Media Timeouts: If neither team has called a timeout prior to one team scoring 16 points in a set, a media timeout of three minutes (3:00) will be called.

Time Between Sets: A timeout of five (5) minutes will take place between each set.

Captain's Challenges: A captain may initiate replay review of certain events subject to the provisions of the rule as set out below. Replay reviews triggered under this rule shall be referred to as a 'Captain's Challenge', or 'Challenge' for short.

Each team is entitled to two (2) challenges per set. In the event a "Golden Set" is played, each team will be granted one (1) challenge.

A team may use a Challenge to initiate replay review of the following events:

- 🕒 Whether a ball is in or out
- 🕒 Block touch
- 🕒 Service line fault
- 🕒 3-meter line fault
- 🕒 Center line fault
- 🕒 Net touch

Any called fault, violation, or other decision by the match officials not listed above, or any non-call, is not a challengeable event.

INDIVIDUAL LEADERBOARD

While traditional volleyball statistics are kept during each Athletes Unlimited match, players earn individual points by accumulating those statistics. Points accumulated by statistics, set and/or match wins and MVP selections are used to create an individual leaderboard, which determines captains for each week and the individual champion at the end of the season.

Points are awarded at the following increments during the match:

Service Ace	+12 Points
Block	+12 Points
Kill	+8 Points
Dig	+5 Points
Good Pass	+2 Points
Block Assist *	+2 Points
Assist	+1 Point
Service Error	-8 Points
Attack Error	-12 Points
Set Error	-12 Points
Pass Error	-12 Points

* - Middle blockers only

If a match requires overtime or a "Golden Set," the stats accumulated during the "Golden Set" do not earn any individual points for the athletes on the leaderboard. In addition, there are no additional team set win points for the "Golden Set."

In addition, athletes will be awarded 40 individual points if their team wins a single set. If the teams score the same number of points in a set, the points carry over to the next set.

Athletes on the winning team in each match will be awarded 60 individual points toward the individual leaderboard. The total score determines the overall match winner, which means a team may lose two sets, but win the overall match.

Example: The Gold Team loses the first two sets 25-23 and 25-23 to the Blue Team, but wins the last set, 25-17. The Gold Team wins the overall match points because they had the larger overall score, 71-67.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

MEDALS

The top four players on the final leaderboard in addition to the Defensive Player of the Year will receive a medal designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiitellä, inc. The front face of the medal represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

ATHLETE COMPENSATION

Athletes are compensated in three ways during an Athletes Unlimited season, including base pay, win bonuses (set and match wins) and a leaderboard bonus. Athletes Unlimited also makes an additional donation equal to the athlete's win bonus to their selected cause partner.

POSTSEASON AWARDS

At the conclusion of the 2023 Athletes Unlimited Volleyball season, the following awards will be presented during the closing ceremony:

- 🏆 Medals to top four finishers on leaderboard
- 🏆 Defensive Player of the Year
- 🏆 Blocker of the Year
- 🏆 Teammate of the Year
- 🏆 Athletes Unlimited All-Position Team (top players at each position)

The All-Position Team will consist of one setter, one libero, one opposite hitter, two middle blockers and two outside hitters.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound for Athletes Unlimited and serves as a record keeper of its leagues. The book, which was handmade by Tikhon Verygyn in his studio in Kyiv, Ukraine, weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book is opened during the Opening Ceremony for each season and is closed after the champion is named and her name is inscribed into the book. The tradition began during Athletes Unlimited Softball's inaugural season in 2020.

ATHLETE CAUSES

The Athlete Causes program, powered by Give Lively, will provide funding to charities of the players' choosing equal to 100 percent of their season win bonus and players will have the opportunity to create their own fundraising pages to support the organizations of their choice.

FACILITATOR BIOS

First-year Athletes Unlimited Volleyball facilitator Dave Rubio led the University of Arizona to 570 wins and 20 NCAA Tournament appearances during his 31-year career with the Wildcats.

KAYLA BANWARTH

FACILITATOR
FIRST SEASON • NEBRASKA, '12

Kayla Banwarth brings a wealth of success as a coach and player into her first season as a facilitator for Athletes Unlimited Volleyball.

Banwarth, a 2012 graduate of Nebraska, spent three seasons as the head volleyball coach at Ole Miss from 2020-22. Under her tutelage, the Rebels earned their first NCAA Tournament appearance in 11 years after earning an at-large berth into the 2021 event.

Ole Miss also registered the best turnaround in NCAA Division I in 2021, fashioning a 21-9 record after winning just one match in 2020-21. Three players on the 2021 team – Anna Bair, Kylie McLaughlin and Sasha Ratliff – earned AVCA South All-Region recognition, while McLaughlin and Ratliff secured a spot on the All-Southeastern Conference Team.

Prior to being named the eighth head coach in Ole Miss history, Banwarth spent three seasons as an assistant coach at her alma mater. The Huskers won the 2017 NCAA Division I title and made an appearance in the national championship match in 2018.

During Banwarth's first season on the Husker sidelines, Nebraska secured the NCAA crown after compiling a 32-4 record, including a 19-1 mark in Big Ten Conference play. Setter Kelly Hunter was named co-recipient of the NCAA Championship's Most Outstanding Player award in addition to being a First-Team AVCA All-America selection and the Big Ten's Setter of the Year.

In 2018, the Huskers returned to the NCAA Championship match and ranked as one of the best defensive units in the nation by holding opponents to a .144 hitting percentage. Libero Kenzie Maloney earned her second consecutive NCAA Championship All-Tournament Team honor in addition to receiving Third-Team AVCA All-America distinction.

Banwarth's final season at her alma mater culminated in the Huskers ranking ninth in the nation with a .153 opponent hitting percentage and reaching the NCAA quarterfinals for the eighth year in a row.

Before returning to Lincoln, Banwarth was a volunteer assistant coach for the men's volleyball team at Pepperdine in 2015 and 2016. The Waves went 13-11 in her first season while the squad ranked among the nation's leaders by averaging 7.69 digs per set.

Banwarth, a former walk-on at Nebraska, became the starting libero midway through her freshman season and held the starting role until 2010. She was an Honorable Mention selection on the All-Big 12 Conference teams as a junior and senior and guided the Huskers to three Big 12 Conference titles in addition to an appearance in the 2008 NCAA semifinals.

Banwarth holds the Nebraska single-match record with 32 digs in a three-set affair against Baylor on November 18, 2009 and stands as one of four players in program history to notch 30 or more digs in a match. She also ranks second on the Huskers' single-season and career digs lists after accumulating 1,706 digs from 2007-10, including 570 digs during her junior campaign.

Banwarth embarked on a professional playing career in 2011 that featured six years on the U.S. National Team. She also played professionally overseas in Azerbaijan.

Banwarth was named the Best Receiver at the 2015 NORCECA Championship and helped Team USA win a Gold medal at the FIVB World Grand Prix in 2016. She aided Team USA to the FIVB World Championship in 2014, the first gold medal for the United States at a major tournament. She anchored the squad at the 2016 Olympic Games in Rio De Janeiro, helping Team USA to a Bronze medal.

Banwarth was named USA Volleyball's Female Indoor Most Improved Player of the Year in 2013 and led the team to a Gold medal at the 2012 and 2013 Pan American Cups. She was the runner-up in the Best Digger category at the 2013 FIVB World Grand Champions Cup after posting 3.19 digs per set.

Banwarth started her international playing career in 2011, piloting Team USA to a Bronze medal at the Pan American Games.

DAVE RUBIO

**FACILITATOR
FIRST SEASON • CAL STATE NORTHRIDGE, '82**

After a legendary and record-setting career as the head volleyball coach at the University of Arizona, Dave Rubio embarks on his first season as a facilitator for Athletes Unlimited Volleyball.

During his time in Tucson, Rubio piloted the Wildcats to a 570-380 (.600) record and 20 NCAA Tournament appearances. The Wildcats reached the quarterfinals four times and earned a berth in the 2001 national semifinals to cap off a 25-5 record. Arizona also won multiple matches in the NCAA Tournament eight times under Rubio's tutelage.

In addition, the Wildcats' trophy case was filled with numerous accolades during Rubio's tenure. He recruited and coached four First-Team AVCA All-America performers, including Dana Burkholder, who was the program's first two-time First-Team honoree. Burkholder also became the first player in program history to earn Pac-10 Player of the Year distinction when she received the award in 2000.

Nine different players received AVCA All-America notice during Rubio's tenure, including four student-athletes who garnered multiple citations. Kim Glass, the 2002 AVCA National Freshman of the Year, became the first player in program history to earn three All-America certificates, including First-Team honors in 2005.

Rubio, who closed his career in second place on the Pac-12 Conference's all-time wins list behind Andy Banachowski, also mentored 34 all-conference selections, 15 league all-freshman picks and 68 academic all-conference players. He was also honored as the 2000 Pac-10 Coach of the Year after guiding the Wildcats to their first league title.

Prior to his stint with the Wildcats, Rubio spent five seasons at Cal State Bakersfield where he guided the Roadrunners to a 122-66 record with a pair of appearances in the NCAA Division II semifinals, including the 1989 Division II title. He was honored as the ASICS Tiger Coach of the Year in 1989 before receiving the CCAA Coach of the Year in 1991.

Rubio served as an assistant coach for Cal State Northridge's men's team in 1983 and then for the women's team in 1985, helping them win a national championship. He began his coaching career in 1978 as the boys' coach at Granada Hills High School.

Rubio also spent time as an assistant at Pierce College before taking the Chatsworth High School girls' team to the league championship in 1982. Prior to his arrival at Bakersfield, Rubio spent four years as coach of the women's team at Westlake High School.

As a player, Rubio was an all-conference and all-state volleyball selection at Cal State Northridge. Prior to his time at Cal State Northridge, Rubio starred at Pierce College, where he was inducted into the athletics Hall of Fame in 2012.

Rubio, who will be inducted into the Arizona Sports Hall of Fame on November 3, 2023, graduated from Cal State Northridge in 1982 with a bachelor's degree in physical education. He is married to the former Amanda Sebbas and they have a daughter, Olivia, and twins Dylan and Lucy.
