## ATHLETES UNLIMITED PRO LACROSSE 101

### WHO WE ARE

Athletes Unlimited is a new model of professional sports where athletes are decision makers and individual players are champions of team sports. We literally change the game with faster play and fluid teams, delivering next-level competition and engagement in which every moment counts. Starting in 2020 with Women's Softball and following with Women's Volleyball (2021), Women's Lacrosse (2021), Women's Basketball (2022) and AUX Softball (2022), Athletes Unlimited will build the next generation of both athletes and fans.

Our athletes are in charge of their team and league decisions, and of their individual success. We reboot timetables, rosters, and gameplay to create fast and exciting competition that speaks to contemporary sports fans, bringing them close to the action and the athletes in games where every moment counts. We incorporate the player-centric model that fans love about fantasy sports. We use digital media platforms and cutting-edge technology to connect fans deeply to athletes at the top of their game on and off the field, and to the game itself.

### HOW THE TEAMS ARE SELECTED

A draft will be held prior to each week's games with the top four players in the individual leaderboard serving as the team captains. The captains will then fill their rosters by selecting 13 other players. Each week's draft will be held on the Monday before the respective week's games.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons orange jerseys. The third-place team will wear blue jerseys and the fourth-place team will wear purple jerseys.

All teams will consist of 14 players, including four attackers, four midfielders, four defenders and two goalkeepers.

### RULES OF INTEREST

Athletes Unlimited Pro Lacrosse playing rules are based on the NCAA rule book with several exceptions, including:

**Field Size:** The field is 100 yards long by 60 yards wide with 80 yards between the goals. In addition, the restraining line is the center line, but restraining lines will be in use for the draw. Instead of an eight-meter fan, Athletes Unlimited Lacrosse will use an eight-meter "key."

**Timing:** Four 10-minute (10:00) stopped time quarters will be played during a regulation game with a 60-second shot clock in play. There will be a three-minute (3:00) break between the first and second quarters and third and fourth quarters. Halftime will be 15 minutes in length.

**Shot Clock Reset:** The 60-second shot clock will reset if a shot attempt is a goal, saved by the goalkeeper or hits the crossbar or goal post.

**Timeouts:** Each team is permitted to take one timeout per quarter, but timeouts do not carry over if unused. If a team does not take a timeout before the five-minute mark of the quarter, a media timeout will be called at the next dead ball situation. The first timeout of any quarter (media or team-called) will be three minutes (3:00) in length and any subsequent timeouts in the period will be one minute (1:00) in length.

**Overtime and Shootouts:** In the event a game is tied at the end of regulation, a three-minute overtime period will be played following a one-minute break. If the game is still tied following overtime, a shootout will take place to determine the winner following a one-minute break. Three shooters from each team will alternate taking attempts from outside the eight-meter key with the team scoring more goals winning the shootout. If the shootout remains tied after three rounds, the shootout will move into a sudden-victory format where any player on the roster may take an attempt, including those who have previously participated in the shootout.

**Foul Changes:** Shooting space fouls are not called in Athletes Unlimited; however, walling will be enforced. Defenders cannot intentionally enter the shooting lane of an attacking player with the intent of blocking a shot. In addition, teams cannot intentionally position any number of defenders in front of the goal. Defenders are prohibited from entering the restricted area directly in front of the goal unless they maintain a one-stick length from the attacking player (Walling can still be called on a defender outside of the restricted area if they attempt to impede the attacking player's shot). No three-second defensive calls will be made and no touch fouls will be called, but players cannot be significantly displaced.

**Dangerous Shots:** Dangerous shot fouls can be called by the game officials. If a shot attempt hits a player on either team on or above the knee, a red card will be administered to the offending player. If a shot attempt hits a player on either team below the knee, a yellow card will be administered to the offending player.

**Over and Back:** Teams may not go back into the defensive half of the field once they establish possession in the offensive half. If a team violates this rule, possession is turned over to the defensive team.

**Challenges:** Teams will be permitted two (2) challenges per game, which are communicated to the officials via the captain or facilitator. The following situations may be challenged:

- Goals
- 2-Point Goals
- Whether the ball was out of the crosse when time expires in a period
- Dangerous Shots
- False Starts

Teams DO NOT retain their challenges if they are successful. The Challenge Official will make the final decision on all challenges.

**Scoring:** Teams may score a two-point goal if the shot is released outside the eight-meter key. In addition, goalkeepers can score with a goalkeeper crosse during game play (regulation and overtime).

### INDIVIDUAL LEADERBOARD

While traditional lacrosse statistics are kept during each game, players earn individual points by accumulating those statistics. Those points are used to create an individual leaderboard, which determines each week's captains and the individual champion at the end of the season.

Points are awarded at the following increments during the game:

Goals	+12 Points
2-Point Goals	+16 Points
Assists	+6 Points
Ground Balls	+2 Points
Draw Controls	+4 Points
Forcing a Shot Clock Violation *	+4 Points
Turnovers	-5 Points
Caused Turnovers	+10 Points
Goalkeeper Saves	+4 Points
Goals Against (GK)	-2 Points
Shots Saved by GK	-2 Points
Yellow Card	-4 Points
Red Card	-8 Points
Fouls	-2 Points

\* - Points to entire team

If a game requires overtime and/or a shootout, the stats accumulated during the extra period or shootout do not earn any individual points for the athletes on the leaderboard.

In addition, athletes will be awarded 20 individual points if their team wins a single quarter. If the teams score the same number of points (goals + two-point goals) in a quarter, the points carry over to the next quarter.

Athletes on the winning team in each game will be awarded 45 individual points toward the leaderboard.

Three MVPs will be selected following each game by the athletes with the top player earning 45 points. The second MVP will receive 30 points, while the third MVP claims 15 points.

### POSTSEASON AWARDS

At the conclusion of the 2024 Athletes Unlimited Lacrosse season, medals will be presented to the top four finishers on the leaderboard in addition to the Defensive Player of the Year and the Teammate of the Year. An All-Defensive Team will also be recognized as part of the closing ceremony.

### ATHLETE COMPENSATION

Athletes are compensated in three ways during an Athletes Unlimited season, including base pay, win bonuses (quarter and game wins) and a leaderboard bonus. The leaderboard bonus also includes an additional donation equal to 100 percent of the athlete's win bonus to their selected cause partner.

### MEDALS

The top four players on the final leaderboard in addition to the Defensive Player of the Year and the Teammate of the Year will receive a medal designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiitellä, Inc. The front face of the medal represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

### THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound for Athletes Unlimited. The book weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book is opened during the Opening Ceremony for each season and is closed after the champion is named and her name is inscribed into the book. The tradition began during Athletes Unlimited Softball's inaugural season in 2020.
