Arizona Athletic Grounds holds regional and nationwide tournaments in addition to its own programs.

WHO WE ARE

Athletes Unlimited is a new model of professional sports where athletes are decision makers and individual players are champions of team sports. We literally change the game with faster play and fluid teams, delivering next-level competition and engagement in which every moment counts. Athletes Unlimited began in 2020 with Women's Softball and followed with Women's Volleyball (2021), Women's Lacrosse (2021), Women's Basketball (2022) and AUX Softball (2022). Athletes Unlimited is building the next generation of both athletes and fans.

Our athletes are in charge of their team and league decisions, and of their individual success. We reboot rosters and gameplay to create fast and exciting competition that speaks to contemporary sports fans, bringing them close to the action and the athletes in games where every moment counts. We incorporate the player-centric model that fans love about fantasy sports. We use digital media platforms and cutting-edge technology to connect fans deeply to athletes at the top of their game on and off the field, and to the game itself.

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each week's matches with the top four players in the individual leaderboard serving as the team captains. The captains will then fill their rosters by selecting 10 other players. Each draft will be held on the Tuesday before the week's matches with the exception of Week One when the draft takes place on Monday.

Uniform colors will be assigned based on the team captain's rank on the leaderboard. The top-scoring captain's team will wear gold, while the second-highest point scorer's team dons orange jerseys. The third-place team will wear blue jerseys and the fourth-place team will wear purple jerseys.

Each team will consist of 11 players, including five PINs (outside hitters and opposite hitters), two setters, three middle blockers and one libero.

RULES OF INTEREST

Match Duration: Each Athletes Unlimited volleyball match consists of three (3) sets regardless of whether a team wins two sets in the match. A set is won when a team scores 25 or more points while winning by a margin of two (2) points or more.

Golden Set: In the event the match score is tied after three (3) sets, a "Golden Set" will be played to determine the match winner. The "Golden Set" will be won by the team which scores five (5) points while winning by a two-point margin or when a team reaches 10 total points.

Substitutions: Teams are limited to a maximum of six (6) substitutions during each set. In the event any match requires a "Golden Set," teams will be permitted no more than two (2) substitutions for the additional set.

Timeouts: Each team is permitted a maximum of two (2) timeouts per set with each timeout lasting three minutes (3:00). In the event a "Golden Set" is necessary, each team will be given one (1) timeout for the additional set.

Media Timeouts: If neither team has called a timeout prior to one team scoring 16 points in a set, a media timeout of three minutes (3:00) will be called.

Time Between Sets: A timeout of five (5) minutes will take place between each set.

Captain's Challenges: A captain may initiate replay review of certain events subject to the provisions of the rule as set out below. Replay reviews triggered under this rule shall be referred to as a 'Captain's Challenge', or 'Challenge' for short.

Each team is entitled to two (2) challenges per set. If a "Golden Set" is required, each team will be granted one (1) challenge.

A team may use a Challenge to initiate replay review of the following events:

- 🔗 Whether a ball is in or out
- 🔗 Block touch
- 🔗 Service line fault
- 🔗 3-meter line fault
- 🔗 Center line fault
- 🔗 Net touch

Any called fault, violation, or other decision by the match officials not listed above, or any non-call, is not a challengeable event.

INDIVIDUAL LEADERBOARD

While traditional volleyball statistics are kept during each Athletes Unlimited match, players earn individual points by accumulating those statistics. Points accumulated by statistics, set and/or match wins and MVP selections are used to create an individual leaderboard, which determines captains for each week and the individual champion at the end of the season.

Points are awarded at the following increments during the match:

Service Ace	+12 Points
Block	+12 Points
Kill	+8 Points
Dig	+5 Points
Good Pass	+2 Points
Block Assist *	+2 Points
Assist	+1 Point
Service Error	-8 Points
Attack Error	-12 Points
Set Error	-12 Points
Pass Error	-12 Points

* - Middle blockers only

If a match requires overtime or a "Golden Set," the stats accumulated during the "Golden Set" do not earn any individual points for the athletes on the leaderboard. In addition, there are no additional team set win points for the "Golden Set."

In addition, athletes will be awarded 40 individual points if their team wins a single set. If the teams score the same number of points in a set, the points carry over to the next set.

Athletes on the winning team in each match will be awarded 60 individual points toward the individual leaderboard. The total score determines the overall match winner, which means a team may lose two sets, but win the overall match.

Example: The Gold Team loses the first two sets 25-23 and 25-23 to the Blue Team, but wins the last set, 25-17. The Gold Team wins the overall match points because they had the larger overall score, 71-67.

A total of three MVPs will be selected following each game by the athletes with the top player earning 60 points. The second MVP receives 40 points, while the third MVP claims 20 points.

MEDALS

The top four players on the final leaderboard in addition to the Defensive Player of the Year will receive a medal designed and fabricated for Athletes Unlimited by Lisa Isenberg, founder of Kitellä, inc. The front face of the medal represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

ATHLETE COMPENSATION

Athletes are compensated in three ways during an Athletes Unlimited Pro Volleyball season, including base pay, win bonuses (set and match wins) and a leaderboard bonus. Athletes Unlimited also makes an additional donation equal to the athlete's win bonus to their selected cause partner.

POSTSEASON AWARDS

At the conclusion of the 2024 Athletes Unlimited Volleyball season, the following awards will be presented during the closing ceremony:

- 🔗 Medals to top four finishers on leaderboard
- 🔗 Defensive Player of the Year
- 🔗 Blocker of the Year
- 🔗 Teammate of the Year
- 🔗 Athletes Unlimited All-Position Team (top players at each position)

The All-Position Team, which is determined by a vote of the league's players and facilitators, consists of one setter, one libero, one opposite hitter, two middle blockers and two outside hitters.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound for Athletes Unlimited and serves as a record keeper of its leagues. The book, which was handmade by Tikhon Verygyn in his studio in Kyiv, Ukraine, weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book is opened during the Opening Ceremony for each season and is closed after the champion is named and her name is inscribed into the book. The tradition began during Athletes Unlimited Softball's inaugural season in 2020.

ATHLETE CAUSES

The Athlete Causes program, powered by Give Lively, will provide funding to charities of the players' choosing equal to 100 percent of their season win bonus and players will have the opportunity to create their own fundraising pages to support the organizations of their choice.

DAVE RUBIO

FACILITATOR • SECOND SEASON • CAL STATE NORTHRIDGE, 1982

Legendary University of Arizona head volleyball coach Dave Rubio returned for his second season as a facilitator for Athletes Unlimited Pro Volleyball during the 2024 campaign.

In his first year, Rubio established a league single-season standard by accumulating 13 victories. He also aided his teams to a 3-0 record in each of the first three weeks of the season. Rubio compiled a 7-7 record over the five-week season in 2024.

During his time in Tucson, Rubio piloted the Wildcats to a 570-380 (.600) record and 20 NCAA Tournament appearances. The Wildcats reached the quarterfinals four times and earned a berth in the 2001 national semifinals to cap off a 25-5 record. Arizona also won multiple matches in the NCAA Tournament eight times under Rubio's tutelage.

In addition, the Wildcats' trophy case was filled with numerous accolades during Rubio's tenure. Burkholder also became the first player in program history to earn Pac-10 Player of the Year distinction when she received the award in 2000.

Nine different players received AVCA All-America notice during Rubio's tenure, including four student-athletes who garnered multiple citations. Kim Glass, the 2002 AVCA National Freshman of the Year, became the first player in program history to earn three All-America certificates, including First-Team honors in 2005.

Rubio, who closed his career in second place on the Pac-12 Conference's all-time wins list behind Andy Banachowski, also mentored 34 all-conference selections, 15 league all-freshman picks and 68 academic all-conference players.
