All 24 games during the 2026 Athletes Unlimited Pro Basketball season will be available to watch live through linear television and streaming platforms, giving fans numerous choices and opportunities to follow the action.

Every contest this season will be available nationwide via ESPN and the WNBA app. In addition, the games can be seen on the Tennessee Valley Sports Entertainment Network, which covers four regional networks in Nashville, Chattanooga, Memphis and Knoxville.

Cindy Brunson, Kevin Barnett, Lisa Byington and **Pam Ward** will handle play-by-play duties this season. Brunson, who has been with AU Pro Basketball since its inaugural season, also owns experience as a sports anchor, play-by-play commentator and analyst for ESPN, the WNBA's Phoenix Mercury, FanDuel Sports Network, Fox Sports Net Arizona, the Pac-12 Conference and the Big 12 Conference.

Barnett, who has served as the play-by-play commentator for AU Pro Volleyball Championship action since its inception in 2021, begins his first season of play-by-play for AU Pro Basketball. The two-time Olympian earned AVCA All-America distinction in 1996 and 1997 at Pepperdine University and ranks among the Waves' career leaders in kills and service aces.

Byington, who made her Athletes Unlimited debut last summer during the AUSL seasons, is in her fifth season as the television play-by-play voice for the NBA's Milwaukee Bucks. The first female full-time television play-by-play announcer for a major men's professional sports team, Byington has also served in play-by-play and reporter roles for various sports with FOX Sports, Big Ten Network, CBS and Warner Bros.

A veteran play-by-play broadcaster, Ward makes her Athletes Unlimited debut this season. The University of Maryland graduate spent nearly three decades with ESPN, providing play-by-play for several sports, including college football, college basketball, college softball and the WNBA.

Hall of Famer **Sheryl Swoopes** will once again provide analysis during the broadcasts in 2026. Swoopes, a member of the Athletes Unlimited Advisory Board, embarks on her fifth year as a color analyst for AU Pro Basketball. The first player signed by the WNBA, Swoopes has won championships at every level, including three Olympic Gold medals and four WNBA titles.

Sydney Colson joins the AU Pro Basketball broadcast group this season as an analyst. A four-year AU Pro Basketball veteran, she ranks sixth on the league's all-time chart with 14,207 leaderboard points. She has also enjoyed an 11-year WNBA career, including a pair of league titles with the Las Vegas Aces in 2022 and 2023.

Anna Camden will also be a new member to the AU Pro Basketball broadcast team during the 2026 season as a reporter. The Philadelphia native was a three-time team captain for the Penn State women's basketball team before completing her college career at Richmond in 2025, helping the Spiders reach the NCAA Tournament. In addition to her work with AU Pro Basketball, Camden has also worked as an analyst and sideline reporter for ESPN+, FloSports and Big Ten Network.

AU PRO BASKETBALL 101

WHO WE ARE

Athletes Unlimited is a new model of professional sports where athletes are decision makers and individual players are champions of team sports. We literally change the game with faster play and fluid teams, delivering next-level competition and engagement in which every moment counts.

Our athletes are in charge of their team and league decisions, and of their individual success. We reboot timetables, rosters and game play to create fast and exciting competition that speaks to contemporary sports fans, bringing them close to the action and the athletes in games where every moment counts. We incorporate the player-centric model that fans love about fantasy sports. We use digital media platforms and cutting-edge technology to connect fans deeply to athletes at the top of their game on and off the field, and to the game itself.

HOW THE TEAMS ARE SELECTED

A draft will be held prior to each week's games. Each week's four captains will be selected using the following procedures:

- » **Week One:** Captains will be determined by a random selection among returning players who wish to be included in the lottery
- » **Week Two and Week Three:** Captains will be the top four players on the leaderboard *for the previous week only* (i.e. The Week Two captains will be the top four players from Week One leaderboard)
- » **Week Four:** Captains will be the top four players on the cumulative season leaderboard (first three weeks)

The captains will then fill their rosters by selecting nine other players. Each draft will be held on the Sunday before the week's games.

Weekly teams are assigned according to the captain's rank on the leaderboard. The top-scoring captain's team will play as the "Gold Rush," while the second-highest point scorer's team dons the "Glow" jerseys. The third-place team will wear "Rhythm" jerseys and the fourth-place team will play as the "Eclipse."

Each team consists of 10 players and there are no limits on the number of players at a specific position (guard, forward, center, guard/forward etc.).

RULES OF INTEREST

Timing: Four 10-minute (10:00) stopped time quarters will be played during a regulation game with a 24-second shot clock in play. Halftime will be 15 minutes in length.

Overtime: If the game score is tied after regulation, a five-minute (5:00) overtime period will be played to determine the winner. Should the score remain tied following the overtime period, a subsequent "Elam Ending" period will be held with the winner of the game being the first team to score seven (7) or more points.

Timeouts: Each team is permitted three (3) 30-second timeouts and one (1) 60-second timeout during regulation play and all timeouts carry over from the first half to the second half. In addition, each team will be given one (1) additional 30-second timeout at the start of the overtime period in addition to any timeouts remaining prior to the period. In the event of an "Elam Ending" period, each team will receive one (1) 30-second timeout, but cannot use any other carryover timeouts.

Media Timeouts: One (1) media timeout will be called at the first dead ball at or below the five-minute (5:00) mark of each quarter unless a team-called timeout or Captain's Challenge occurs before that time frame. In addition, the first team-called timeout or Captain's Challenge of the second half becomes a media timeout.

Captain's Challenges: A captain or other determined team representative may initiate replay review of certain events subject to the provisions of the rule as set out below. Replay reviews triggered under this rule shall be referred to as a 'Captain's Challenge,' or 'Challenge' for short.

Each team is entitled to one (1) challenge in the first 38 minutes of the game and one (1) Challenge in the last two minutes of the fourth quarter, overtime period or "Elam Ending" period.

A team may utilize a Challenge to trigger replay review of the following events: (1) a called personal foul charged to its own team, and (2) a called out of bounds violation. If the challenge is unsuccessful, the team will be charged with a timeout.

Replay review of the following events, among others, are not considered "challengeable" events: (1) a called personal foul charged to the opposing team, (2) continuation – i.e., whether a defensive foul occurred prior to the offensive player beginning her shooting motion, (3) a technical or flagrant foul, and (4) violations – i.e., traveling, carrying, double dribble, offensive or defensive three seconds, etc.

INDIVIDUAL LEADERBOARD

While traditional statistics are kept during an Athletes Unlimited Pro Basketball game, players receive individual points based on those statistics. Points earned through statistics, quarter wins, game wins and Game MVP selections are used to create an individual leaderboard, which determines each week's captains and the season's individual champion.

Points are awarded at the following increments during the game:

Made 3-Point Field Goal	30 Points
Made 2-Point Field Goal	20 Points
Made Free Throw	10 Points
Offensive Rebound	10 Points
Assist	10 Points
Steal	10 Points
Blocked Shot	10 Points
Offensive Foul Drawn	8 Points
Defensive Rebound	5 Points
Shooting Foul Drawn	4 Points
Personal Foul Drawn	4 Points
Shooting Foul Committed	-8 Points
Personal Foul Committed	-8 Points
Other Foul Committed	-8 Points
Turnover	-10 Points
Missed Free Throw	-10 Points
Missed 2-Point Field Goal	-10 Points
Missed 3-Point Field Goal	-10 Points
Offensive Foul Committed	-16 Points

If an overtime and/or "Elam Ending" period is required, the stats accumulated during the extra period(s) do not earn any individual points for the athletes on the leaderboard. In addition, there are no additional team quarter win points for the extra period(s).

In addition, athletes will be awarded 60 individual points if their team wins a single quarter. If the teams score the same number of points in a quarter, the points carry over to the next quarter.

Athletes on the winning team in each game will be awarded 180 individual points toward the individual leaderboard.

A total of three MVPs will be selected following each game by the competing athletes with the top player earning 90 points. The second MVP will receive 60 points, while the third MVP claims 30 points.

POSTSEASON AWARDS

At the conclusion of the 2026 AU Pro Basketball season, medals will be presented to the top four finishers on the leaderboard in addition to the Defensive Player of the Year and the Newcomer of the Year. An All-Defensive Team will also be recognized as part of the closing ceremony.

ATHLETE COMPENSATION

Athletes are compensated in three ways during an AU Pro Basketball season, including base pay, win bonuses (quarter and game wins) and a leaderboard bonus.

ATHLETE CAUSES

The Athlete Causes program, powered by Give Lively, provides funding to each player's chosen charity equal to 100 percent of their season win bonus and players will have the opportunity to create their own fundraising pages to support the organizations of their choice.

MEDALS

The top four players on the season's final leaderboard in addition to the Defensive Player of the Year and Newcomer of the Year honorees will receive a medal designed and fabricated for Athletes Unlimited by Lisa Issenberg, founder of Kiiellä, inc. The front face of the medal represents the identity of Athletes Unlimited, while the back face of the medal leans into the specific sport, the year, location and words about Athletes Unlimited's vision, mission and values on and off the field - Excellence in Community and Leadership.

THE BOOK OF UNLIMITED

The Book of Unlimited was designed, handmade and bound for Athletes Unlimited. The book weighs nearly 25 pounds, measures approximately 12" by 18" and contains nearly 500 pages. The champion, along with all who competed, are inscribed into the book. In addition, The Book of Unlimited also contains a history of achievements in Athletes Unlimited, including stories, highlights and events.

The book is opened during the Opening Ceremony for each season and is closed after the champion is named and her name is inscribed into the book following the Closing Ceremony. The tradition began during Athletes Unlimited Pro Softball's inaugural season in 2020.

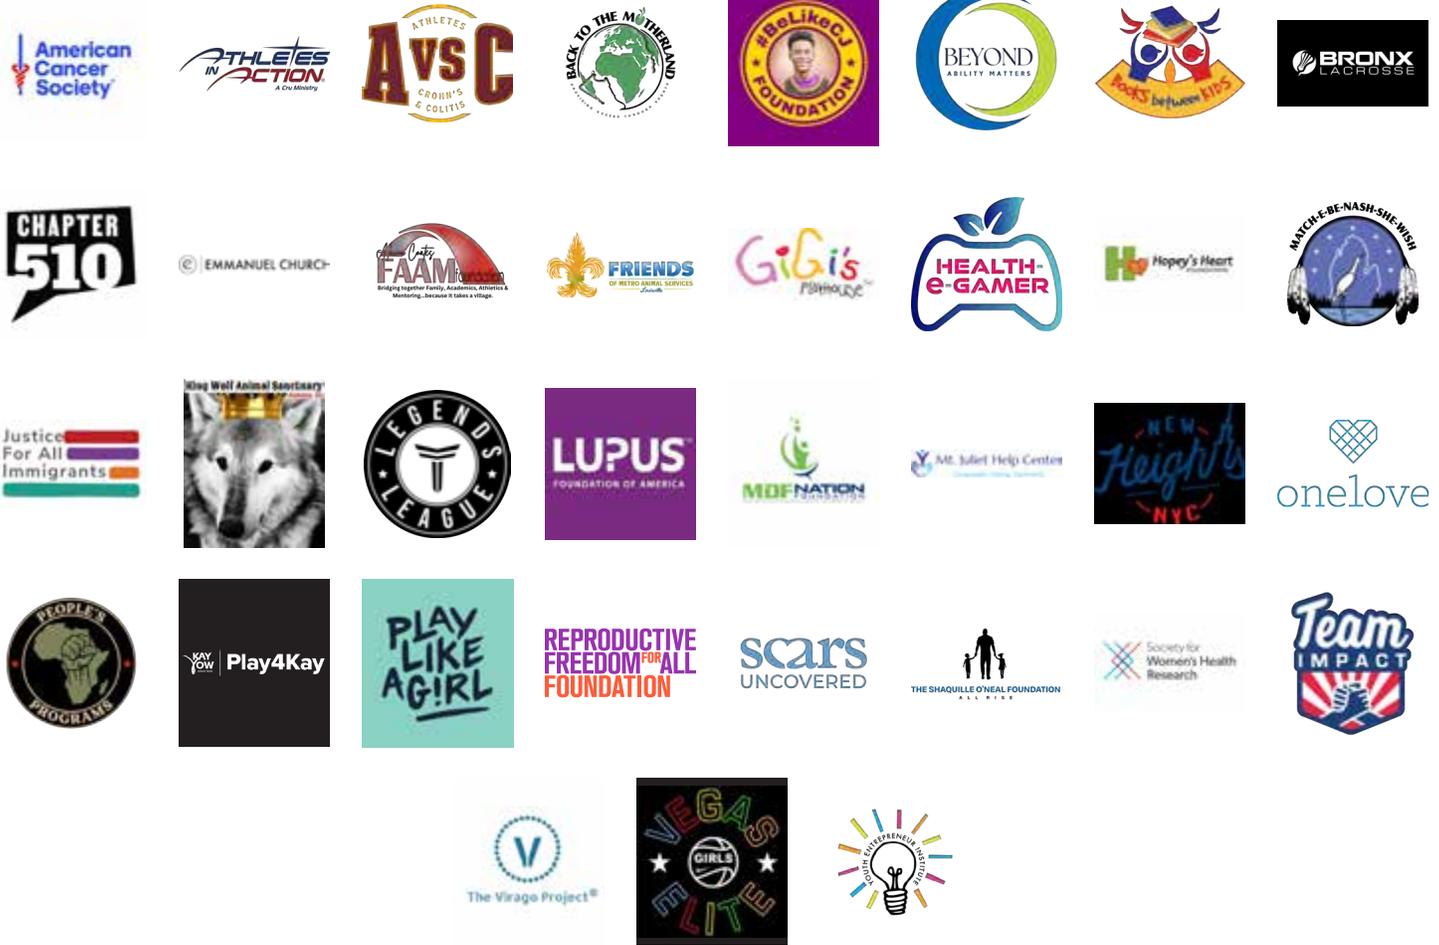

ATHLETE CAUSES

The Athlete Causes program, powered by Give Lively, provides funding to each player's chosen charity equal to 100 percent of their season win bonus and players will have the opportunity to create their own fundraising pages to support the organizations of their choice.

NASHVILLE MUNICIPAL AUDITORIUM

Athletes Unlimited Seasons Hosted: 2025 Basketball, 2026 Basketball

The Nashville Municipal Auditorium, a multi-purpose facility located in downtown Nashville, serves as the host site for the 2026 AU Pro Basketball season.

Since opening its doors on October 7, 1962, the venue has welcomed many different events, including sports and concerts. In addition to the arena, which provides reserved seating for nearly 10,000 fans, an outdoor plaza provides another location for events. The facility has also been home to the Musicians Hall of Fame and Museum since 2013.

Belmont University used the venue as its home basketball court from 2001-03, while the Ohio Valley Conference has crowned its basketball champion at the facility 12 times, including a seven-year stint from 2011-17. The Nashville Kats also played their home games in the building during the 2024 Arena Football League season in addition to the 2025 Arena Football One campaign.

The Nashville Municipal Auditorium also holds a rich musical history after hosting the Country Music Association's first CMA Awards event in 1967.

DEE
BROWN

PLAYER ENHANCEMENT SPECIALIST

A veteran coach with nearly 30 years of experience in the NBA, Dee Brown joins the AU Pro Basketball coaching staff as a player enhancement specialist for the 2026 season.

Brown, the father of five-year AU Pro Basketball veteran Lexie Brown, currently serves as the executive senior associate athletic director for athletics strategy and innovation at his alma mater, Jacksonville University, where he has worked since 2021. He is also a member of the university's Board of Trustees along with several advisory boards at Jacksonville.

Before arriving in Jacksonville, Brown was the general manager for the Agua Caliente Clippers of Ontario, the NBA G-League affiliate of the Los Angeles Clippers, from 2017-21. He helped launch the team, which went on to win 71 games during his tenure. In addition, he was the vice president of integrated development and G-League Operations for the Clippers.

Brown served as an assistant coach with the NBA's Sacramento Kings from 2013-15 after a two-year stint with the Detroit Pistons from 2011-13. He joined the Pistons' staff after working as the head coach and head of player development for the NBA Development League's Springfield Armor from 2009-11.

In addition, Brown also spent one season with the Denver Nuggets as an assistant coach and director of player development along with one year as director of player development for the Orlando Magic. He started his coaching career in charge of the WNBA's Orlando Miracle in 2002 before venturing to the San Antonio Silver Stars in 2004 for the same role.

Selected by the Boston Celtics with the No. 19 overall pick in the 1990 NBA Draft, Brown quickly established himself in the league by earning All-Rookie First Team distinction in 1990-91 while helping the Celtics win the Atlantic Division. Brown, who won the NBA's Slam Dunk Contest as a rookie, played for the Celtics until 1998 when he joined the Toronto Raptors.

Brown, who spent 12 total years as a player in the NBA, led the league with 135 made three-point field goals in 1998-99 while playing in just 49 games. After two seasons with Toronto, Brown finished his NBA playing career with two seasons in Orlando.

In 608 career NBA games, Brown averaged 11.1 points, 2.6 rebounds and 3.7 assists per contest. He also guided his teams to six playoff appearances, including three straight berths with the Celtics from 1991-93.

A 1990 and 2024 graduate of Jacksonville with degrees in mathematics and computing science, Brown was a two-time All-America performer for the Dolphins who collected First-Team All-Sun Belt Conference honors as a senior. He still owns the program's single-season record with 88 steals during the 1988-89 season while holding fifth place on the school's career list with 201 takeaways.

Brown sits 12th in Jacksonville history with 1,503 career points and paced the Dolphins in scoring during each of his final two seasons. His No. 4 jersey number was retired by Jacksonville, while the No. 20 jersey he donned during his scholastic career at The Bolles School was retired on January 15, 2021.

Brown launched EDGE Basketball, LLC, in 2005 and served as the CEO. The company focused on training players from middle school age up to the professional ranks.

DANIELLE
VIGLIONE

PLAYER ENHANCEMENT SPECIALIST

Making history has been a major part of Danielle Viglione's basketball career and she hopes to help the Athletes Unlimited players make history as she embarks on her fifth season with AU Pro Basketball, including her fourth as a player enhancement specialist.

After serving as a facilitator during the inaugural 2022 season, Viglione pivoted into the role of player enhancement specialist for the 2023 campaign and will again hold that position in 2026.

Viglione, who joined the coaching staff for the WNBA's Los Angeles Sparks for the 2023 campaign, ranks fifth in the University of Texas record book after collecting a 15.8 scoring average over 105 games from 1993-97. The Sacramento, Calif., native, who earned a trio of All-Conference accolades, knocked down a school-record 293 three-pointers and ranks seventh in Texas women's basketball history with an .812 career free throw percentage.

In her rookie campaign with the Longhorns, Viglione averaged 21.0 points per game and set the program's freshman single-season record by finishing with 629 points. The 1994 Southwest Conference Freshman of the Year also established the Longhorns' single-season mark with 115 made three-pointers, a mark that still stands today.

Viglione, the only player in Texas history to register two career 40-point games, secured the Texas single-game standard when she erupted for 48 points, including a school-record 11 three-pointers, against Houston on January 29, 1994. She also netted 40 points earlier that season against Marquette.

With 1,658 career points, Viglione ranks 14th on the Longhorns' all-time list and is one of five players to average 20.0 or more points in a season.

Viglione played one season in the WNBA, appearing in six games with the Sacramento Monarchs during their inaugural season in 1997. She went on to play 10 years overseas, spending time in Israel, Turkey and Italy.

Prior to her time at Texas, Viglione earned a pair of California State Player of the Year commendations at Del Campo High School while racking up 3,089 points in three varsity seasons. The holder of 10 California state records and five national marks, she sank 379 three-point field goals and eclipsed Cheryl Miller's single-season record by scoring 1,300 points.

The owner of the Sacramento Skills Academy, Viglione was inducted into the CIF Hall of Fame in 2014 and the Sacramento Hall of Fame in 2015 before earning her spot in the UT Athletics Women's Hall of Honor in 2019.

A 1998 graduate of Texas with a bachelor's degree in kinesiology, Viglione was the recipient of the NCAA's Postgraduate Scholarship in 1997.
